CARPET SHIELD

Carpet Shield is a water based fluorochemical carpet protector for use on wet cleanable fibres. It will protect against water, oily and dry spills. Carpet Shield meets the specifications for use on stain resistant carpet.

Diluted pH: 4.2

Packaged: 4 L, 20 L & 205 L

Directions for use:

Do not mix this product with any other chemical product. Pretest in an inconspicuous location for color fastness.

Ensure equipment used for applying mixed solution is thoroughly cleaned out.

For freshly cleaned carpet: Mix 756 ml (26 oz) of Carpet Shield with 3.78 L (1 gal) of water.

Apply mixed solution using a pump up sprayer, spraying evenly over carpet. Immediately spray a second application at right angles to the first pass. 3.78 L (1 gal) of mixed solution will cover 200 square feet (18.6 m sq.). Allow treated area to dry before walking on. Do not spray onto hard surface floor or walls. Immediately wipe off overspray with a damp cloth.
