# Warrior

The onboard carrying system provides storage for your wand, double cord wrap stow, 5 gallon bucket, hose and a quart of prespray.

**FASTER DRYING TIMES!** The Warrior uses a parallel vacuum motor system which delivers a 25% greater solution recovery rate than series vacuum motors.

Maintenance is easier than ever providing an open access to all components delivering the ability to easily maintain, clean and care for your Warrior after jobs.

Capacity is improved to 13 gallons, with an 11 gallon recovery tank, allowing you to work 16% longer without downtime!

## Roto-molded Polyethylene Housing
