- Dilution Ratio: Ready to Use
- Powerful active enzymes
- Dissolves protein based spots
- Removes browning
- Contains no optical brighteners
- Available in: 4 L (1.06 US gal)

Diluted pH: 7.9
Dilution Ratio: Ready to Use

ACTIVE ENZYMES THAT ELIMINATE PROTEIN SPOTS

DIRECTIONS FOR USE:

Pretest in an inconspicuous location for color fastness and fibre stability.

Do not dilute, use full strength.

Thoroughly flush the effected area. Apply Stain Gone directly to the stained area by use of a flip cap applicator. Using a tamping brush, tamp the effected area to agitate.

Allow 15 minutes dwell time. Flush with hot water extraction using Esteam Fibre Rinse solution. On stubborn stains a second application may be required.

CAUTION: Product not recommended for use on wool or natural fibres.

NOTE: Do not mix Esteam Stain Gone with any other chemical product.

Keep this product out of reach of children. Read the Material Safety Data Sheet and the Product Label before using. Take the necessary precautions dictated by the label to ensure that your health and that of your customers' is protected.
