BROWN OUT

Eliminates cellulosic browning

Brown Out is the answer to many problems associated with over wetting of carpeting.

- **Dilution Ratio: Ready to Use**
- **Eliminates jute and chemical browning**
- **Additive to cleaning solution or topical treatment**
- **Safe on wet cleanable fibres**
- **Available in: 4 L (1.06 US gal) or 20 L (5.28 US gal)**

GET RID OF BROWNING PROBLEMS!

DIRECTIONS FOR USE:

Do not dilute, use full strength.

Apply Brown Out directly onto carpeting using a pump-up or power sprayer. Spray evenly over carpet to give uniform coverage.

For best results: Agitate with carpet groomer after application.

pH: 3 - 4.5

Dilution Ratio: Ready to Use

On fibres that have a tendency to brown, add 1½ oz (46 ml) of Brown Out to every 1 gal (3.78 L) of cleaning solution (Dilution 1:80).

Brown Out can also be used on upholstery. Test in an inconspicuous location for color fastness and fabric stability. Apply Brown Out to upholstery with a fine mist sprayer. Browning should disappear.

Keep this product out of reach of children. Read the Material Safety Data Sheet and the Product Label before using. Take the necessary precautions dictated by the label to ensure that your health and that of your customers' is protected.
