EMULSIFIER

Eclean Green Emulsifier is a liquid cleaner designed to fit into the world of environmentally responsible cleaning. It has been developed with powerful eco friendly grease cutting emulsification and soil releasing ingredients. This product does not contain phosphates or solvents and is VOC compliant meeting or exceeding the environmental choice criteria for green cleaning in today's market.

This product does not contain Phosphates, Solvents, Butyls, (APE's) Alkyl Phenol Ethoxylates or carcinogens and is VOC compliant.

Diluted pH: 8.8

Directions for use:

Do not mix this product with any other chemical product. Vacuum carpet prior to cleaning. Pretest in an inconspicuous location for color fastness.

Portable use: Mix 59 ml (2 oz) of Green Emulsifier per 18.9 L (5 gal) of warm to hot water in solution tank. For heavy soil conditions mix 118ml (4 oz) per 18.9 L (5 gal) of warm to hot water in solution tank.

Truckmount tank mix: Mix 1.18 L (40 oz) of Green Emulsifier per 378 L (100 gal) fresh water.

Truckmount metering: Mix 1.18 L (40 oz) of Green Emulsifier into 18.9 L (5 gal) of warm to hot water. This will make a ready to use stock solution for metering systems. Set meter at 2 GPH depending on soil condition.
