SPOTTER

Eclean Green Spotter is a water based environmentally responsible cleaning product that has been blended using eco friendly ingredients that perform to remove a wide variety of common spots and stains from carpet and wet cleanable upholstery. It has been developed to dry to a non sticky anti resoiling state leaving no residue behind. This phosphate free, VOC compliant spotter meets or exceeds the environmental choice criteria for green cleaning in today's market.

This product does not contain Phosphates, (APE's) Alkyl Phenol Ethoxylates or carcinogens and is VOC compliant.

RTU pH: 7.5

Directions for use:

Do not mix this product with any other chemical product. Pretest in an inconspicuous location for color fastness.

Elcean Green Spotter is a ready to use product. Remove loose soil from area to be treated. Apply Green Spotter directly to the stained area, tamp the area using a tamping brush for agitation, allow to dwell for 2 minutes, Using a clean white towel blot the area working from the outside edge inwards to prevent spreading of the spot or stain. For best results rinse area thoroughly with hot water extraction then vacuum once carpet is dry.
