URINE OUT

Urine Out will eliminate urine odor problems by going after the source and chemically neutralizing the odors. Urine Out is extremely effective on odors caused by urine, vomit, skunk and many other malodors.

pH: 6.7

Dilution Ratio: Ready to Use

Packaged: 1 L & 4 L

Directions for use:

Do not mix this product with any other chemical product. Pretest in an inconspicuous location for color fastness.

Ready to use: Apply directly to the odor source and stained area. Agitate the area, using a tamping brush. Urine Out should be injected into the backing of the carpet and underlay to treat the odor that has penetrated into the subsurface. Allow 15 minutes dwell time then flush the effected area thoroughly with hot water extraction.
